CRITICAL EDGE ALLIANCE Conference – Rio 2024
June 19 - 21, 2024

Amazonizar: human impact on ecosystems. How Universities are responding to local and global challenges.

The annual CEA conference in 2024 will be hosted by PUC-Rio in Rio de Janeiro, Brazil.

We invite CEA faculty members and students to present proposals for presentations on the topics below. Proposals can be for a workshop or a panel. Registration of proposals in the conference site will be available soon.

Panels and workshops will be organized according to the proposals that are received, and will be held on Thursday June 20 and Friday June 21.

We are welcoming both in-person, and online proposals for papers to be presented in thematic panels.

Suggested deadlines
Proposals for panels and workshops: April 30, 2024
Proposals for artistic presentations: May 14, 2024
